Chicago, Ill.

Dear Sir:

At the meeting of the Milwaukee Radio Amateurs' Club, Inc. of February 7, 1924, Mr. Clarence R. Crapo, 9VD was nominated as a candidate for director of the A.R.R.L. for the Central Division as suggested in the February QST.

It has also come to our notice that the Central Division Publicity Manager has been asked to give Mr. Darr 8ZZ all possible publicity.

Now as we feel that our club, being one of the foremost in the country and having been praised by yourself and associates should put a candidate into the field. Had we been advised by yourthat you were going to back any candidate we would have taken this into consideration but as we had no knowledge of your intentions we went ahead onmour own hook and as the die has been cast we will back our candidate and elect him.

So in the interest of fair play we ask you to advise the publicity manager to give our candidate and equal share of publicity with other candidates .

We also request that if possible you would kindly send us the names and addresses of all ARRL members in the Central Division

We believe that this should cause no hard feelings and will gladly join you in saying: "May the best Man Win."

Yours with 73.

Election Committee Chairman.
